## **Surge & Rapid Response Team (SRRT) Business Trade Union Side**

### **Action required from all branches**

- **Call for branches to nominate SRRT BTUS delegate(s)**
  - **Action required by Friday 19<sup>th</sup> August**
  - **BTUS date tbc – planning for early September**

In line with PCS' Industrial strategy, it is important that we have regular communication with our members across all areas of the business. The best way of achieving this is to have specific Business Trade Union Sides (BTUS) for each business area. This provides an important link between branches and the GEC as well as enabling us to tackle any areas of concern at the appropriate level.

We are in the process of renewing our BTUS structures for this year and to do this for SRRT we need all branches with a SRRT presence to be involved. We are therefore requesting that all branches with a SRRT presence provide the name(s) of rep(s) whom they wish to nominate to be their delegate(s) to the BTUS.

We ask that this information is provided by email by Friday 19<sup>th</sup> August to:

Hywel Morgan (Assistant Group Secretary) [Hywel.morgan@hmrc.gov.uk](mailto:Hywel.morgan@hmrc.gov.uk)

Tim Crumpton (GEC Member) [Tim.crumpton@hmrc.gov.uk](mailto:Tim.crumpton@hmrc.gov.uk)

Due to the nature of SRRT deployments we do understand that it is not always possible for reps working in SRRT to attend so it may require branches to discuss if they need to nominate more than one rep.

We plan to hold the first SRRT BTUS in early September, date tbc once we have collated branch responses. If any branches or members have any current queries or concerns relating to SRRT or anything contained in this briefing then please get in touch with any member of the PCS SRRT negotiating team, these are:

Assistant Group Secretary Hywel Morgan  
GEC Member Tim Crumpton
